Before completion of the enrollment application, potential students are interviewed and apprised of the following;

Employment opportunities- Although job placement is not guaranteed, we do offer job placement assistance. We have local salons that call looking for graduates. When that happens we place the job opportunity on the bulletin board for the students, as well as when a student is close to graduating we send out resumes for the student to any salon the student requests. We also let salon owners come in and speak with any prospective student for employment offers.

Physical demands of the profession- Cosmetology requires standing on your feet for long periods of time, bending from the waist when shampooing and working on clients when they are reclined in the shampoo bowl, contact with chemicals which may lead to allergic reactions, the use of hot tools, sharp cutting tools, and electrical apparatus. Manicuring requires long sitting times, close work and excellent eye site. Contact with chemicals which may cause allergic reactions, use of sharp cutting tools, and electrical apparatus. Estheticians require sitting, standing, bending from the waist and good hand eye coordination, contact with chemicals which may cause allergic reactions.

Safety requirements- All salons are licensed by The Department of Business and Professional Regulations, which has inspectors, which inspect salons for sanitation and cleanliness. Also, you should always read the directions on all product packages you use.

Licensing requirements- 1200 hour Cosmetology. To obtain a license for the above, a written practical and written examination must be taken which is given by The Department of Business and Professional Regulation in Tallahassee, Florida 600 hour Full Specialist, 260 hour Facial Specialist and 240 hour Nail Technician to obtain a license for the above, all requirements must be met, then you may apply for licensure. The Full Specialist program has more hours for Facial and Nail Theory and for Facial and Nail Techniques.

Completion Rate, Placement Rate, and Licensure Rate-

80.14% of students that were scheduled to graduate in 2019 graduated.

61.54% of graduates in 2019 have jobs in the licensed field.

87.50% of 2019 graduates passed their state board exams.
